REACH KEY TARGETS

Discover the impact of the FJI Membership Directory & Business Guide! It's the cornerstone of our outreach strategy, reaching beyond our members to new recruits, local businesses and the wider community. Once the print edition lands in mailboxes, the digital version goes live with direct website links from advertiser pages. That digital reach is enhanced through direct email promotion to our membership and on our social media, which reaches an audience of more than 12,000.

And there's more to this story! The quarterly FJI Report magazine has expanded its audience for nine consecutive years and revamped content in 2024 to focus on telling our members' stories. Each edition reaches 2,000+ area business professionals four times a year, with regular readership and placement in waiting rooms and public spaces. Like the Directory, once the print edition of the Report lands in mailboxes, the digital version goes live with direct website links from advertiser pages and is promoted via email and social media.

BENEFITS

- Additional discounts for advertisers securing space in both the annual FJI Membership Directory & Resource Guide and at least two issues of the quarterly FJI Report magazine.
- All advertisers have first right of refusal on space going forward, ensuring you access when at capacity, as we were in 2024.

MAXIMIZE YOUR INVESTMENT

- Enhance brand recognition with key business and community leaders
- Spotlight new products and services
- Promote upcoming events or charitable causes
- Support our community's continued economic development and growth
- Increase exposure and engagement up to five times per year in print and with interactive online exposure
