

# Jenny McCarthy

CO-CHAIR

In her role as an Assurance Senior Manager at Baker Tilly, Jenny not only assists clients with their annual assurance compliance needs, she also acts as a value architect by listening to her client's business issues and connecting them with qualified experts.

Jenny moved to the area with her family in 1997. Since then, she has enjoyed watching it go through an exciting period of growth and revitalization. Seeing this all unfold as an Ambassador for Forward Janesville, she could not wait to get involved with JOIN back in 2018! Janesville has a GREAT foundation, and Jenny is excited to help other young professionals build on that foundation by meeting new people, growing their leadership skills and enhancing their knowledge of the community.

Her time outside of work is spent with her husband, two daughters, and her Wheaten Terrier. If they aren't hanging around Janesville for the weekend with their extended families, you can find them relaxing around the RV at a Wisconsin State Park or local campground.
