HEAR FROM DANIELLE WEGMAN OF HEALTHNET

Danielle Wegman, Development Director for HealthNet of Rock County since November 2019. HealthNet of Rock County is Rock County's only free & charitable clinic. They provide medical, dental, prescription, chiropractic, behavioral health, mental health, Seal-A-Smile, women's services and patient navigation to Rock County residents who are uninsured or underinsured. Most recently, since January 2021, they have provided over 2,650 of vaccine doses to all who have been and are currently eligible to receive them. Thanks to the support of our generous donors and the community, they are here to provide hope, help and healing to those who wouldn't otherwise have a healthcare home.

WE WANT TO HEAR FROM YOU

We know this year has been a different one for everyone and as we go into planning more events, we want to hear your feedback. As things start to get back to normal, there's a possibility we could plan some safe in-person events this summer. Please take a moment to participate in [this survey](#) to tell us your thoughts. We promise, it will be less than 5 minutes!

LOOKING TO DEVELOP YOUR LEADERSHIP SKILLS?

Applications are due June 1. Click [here](#) to apply today.
