

## Donation Based Small Business Owner Coaching Program

Thank you for your interest in community small business owner coaching packages. I am offering this program in support of our community this spring because I want to see our small businesses survive and thrive. Being a Solopreneur can get lonely. You have your business to think about, your family, your customers, your employees – and what about you? Sometimes you just need someone to listen and help you sort out your thoughts and decisions. I've been there and still find myself there sometimes. As a professional certified coach, I'm offering to help you cut through overwhelm, find opportunities, make decisions and take confident action in your business.

Coaching is a completely confidential and nonjudgmental place for you to get clear and determine your next steps. I know that you are the expert in your life and business and I will partner with you to bring that expert voice forward. In the end we all benefit: our community, you and your business and also the organizations at the bottom of this application.

If you are interested in applying for one of the five coaching packages that include three 1:1 weekly sessions, please complete below and return to me at [jwcc@jacquewegner.com](mailto:jwcc@jacquewegner.com) no later than June 6, 2020.

The other good we'll be doing:

This coaching program for local small business would normally be an investment of \$400. Instead, I am offering this in return for a donation to one of the following community organizations: Agrace Hospice, YWCA Alternatives to Violence, or Nami of Rock County. Suggested minimum donation of \$100.

A total of five applicants will be accepted for this program and notifications and scheduling will be done on or before June 8, 2020. If you have any questions before or after applying, please contact me at 608-295-2722 or [jwcc@jacquewegner.com](mailto:jwcc@jacquewegner.com). You can also visit [jacquewegner.com](http://jacquewegner.com) for more information about my coaching services.
